

FIRE SAFE SAN MATEO COUNTY

AGENDA

July 11, 2007, 10 o'clock, BBQ at Noon

***Jasper Ridge Biological Preserve
4001 Sand Hill Road, Woodside**

NOTE: Meeting will start at 10 a.m. followed by a BBQ Lunch.

After you have invited your Fire Chief and Fire Marshal, please advise Steve Richmond of the number of people attending from your agency. (831-335-3542 or Rchmdconsl@aol.com) It makes it a lot easier to purchase a great tri-tip lunch if we know how many to plan for.

10:00 Meet and Greet

10:15 Call to Order, Introductions

10:30 The Heat is On: Climate Change and Fire, Philippe Cohen, PHD.

11:00 Preview video of the Boundary Project - Klaus Zalinskis

11:20 CDF LE 100 Program and Enforcement - Rich Samson

11:30 Sudden Oak Death is Coming, Demo, - Denise Enea

11:40 AGENCY ROUND TABLE

12:00 Adjourn for Lunch

* Coming from the north or the south, exit I-280 at San Hill Road West. Follow San Hill Road about 2 miles. Along the way, you will reach the Whiskey Hill intersection that dead-ends into San Hill coming in from your right. The gate is another mile or so. The main gate (an electric gate) will be on your left. While on Sand Hill Road, should you reach Portola Road or Family Farm Road, then you've passed the gate. The gate will be open from 9:45 to 10:30. If gate is closed, there is a phone at the entrance. Dial 005 and you will reach Philippe on his cell and he can let you in remotely. Just follow the signs to visitor parking at the Sun Field Station. Please use this parking lot if the Staff Parking lot is full. Do NOT park on the road shoulder.

Area and Facility Map on the attachment.
